ORC Certs AVAILABLE at U.S.Sailing ORC: <https://www.ussailing.org/competition/offshore/orc/>

NOTES:

- ¹⁾ A Provisional Member is one who is not yet a member of one of the DRYA's member clubs. It is intended to support newcomers to either the area or to competitive sail racing. A Provisional Membership is allowed for 12 months so that the individual has a good chance to become more familiar with the various clubs available to them.
- ²⁾ A person who, because of their own choosing, wants to support the various programs of the DRYA in a fashion greater than would be required through the strict schedule of membership dues may donate any amount to the DRYA (tax deductible). A **Contributing Member** is one who donates an amount three times dues of the annual Sustaining member dues amount.
- ³⁾ Late Registration Fees are only applicable to those boats that have been previously registered to race in the DRYA Counter Series. Late Fees are not applicable to new 1st time registrants.
