

How to Register to be an “INVITED BOAT” at a DRYA Counter Series race.

Invited Boat – 1) Boats other than DRYA Counter Series Registered Boats on invitation of a Sponsoring Club

OR 2) Counter Series Registered Boats racing outside their designated class in a Counter Series regatta.

Step 1: The Sponsoring Club NOR/SSIs shall specify the process for Invited Boats to request an entry in their Club’s regatta. All Invited Boats must register with the Host Club to meet DRYA’s pre registration requirements.

Step2: Register with DRYA to participate in the race.

DRYA provides the Race Officials and volunteers to run the race. DRYA generates the scratch sheets (list of participants, type of boat, handicap, class and race start) and scoring information for the boats involved for the DRYA race committee and DRYA scorers.

Each of the sponsoring Clubs specify in their Supplemental Sailing Instructions which starts they will open for INVITED boats. Some Clubs will only have a Club JAM start, other Clubs will open the PHRF and One Design starts. So, INVITED BOAT online registrations will open on the DRYA.org website when the Club’s Supplemental Sailing Instructions are posted to the DRYA website.

HOW to Register with DRYA: On the DRYA website drya.org, find the Counter Series race’s EVENT

📍 HOME page, left side “Upcoming DRYA Events” OR

📍 Events > “Counter Races”

NOTE: the registration will not be OPEN or AVAILABLE if the SSIs are not posted yet OR if registrations are closed (Deadline is normally Tuesday midnight prior to the race)

The Invited Boat Registration is an online form to fill in needed information including your choice of start. Each Club’s race form is different in which race starts are available (per their Sailing Instructions) and specify any fees or Cert needed. After filling out the form and submitting it, you will be directed to the DRYA PayPal payment page where you can pay for any fees required.
